## Do You Neglect Your Machinery?

The machinery of the body needs to be well oiled, kept in good condition just as the automobile, steam engine or bicycle. Why should the human neglect his own machinery more than that of his horse or his engine? Yet most people do neglect themselves. To clean the system at least once a week is to practice preventive measures. You will escape many ills and clear up the coated tongue, the yellow complexion, the dull headache, the lazy liver, if you will take a pleasant laxative made up of the May-apple, juice of the leaves of aloes, root of jalap, and called Pleasant Pellets. You can obtain at almost any drug store in this country these vegetable pellets in vials for 25c—simply ask for Dr. Pierce's Pleasant Pellets. There can be no counterfeit if they have the Dr. Pierce stamp. Proven good by 50 years use.

## RID STOMACH OF GASES, SOURNESS, AND INDIGESTION

"Pape's Diapiesin" Relieves Stomach Distress in Five Minutes

You don't want a slow remedy when your stomach is bad—or an uncertain one—or a harmful one—your stomach is too valuable; you mustn't injure it with drastic drugs.

Pape's Diapiesin is noted for its speed in giving relief; its harmlessness; its certain, unfailing action in regulating sick, sour, gassy stomachs. Its quick relief in indigestion, dyspepsia and gastritis when caused by acidity has made it famous the world over.

Keep this wonderful stomach sweetener in your home—keep it handy—get a large fifty-cent case from any drug store and then, if anyone should get something which doesn't agree with them; if when they eat lays like lead, ferments and sours and forms gas; causes headache, dizziness and nausea; eruptions of acid and undigested food—remember, as soon as Pape's Diapiesin comes in contact with the stomach, it helps to neutralize the excessive acidity, then all the stomach distress caused by it disappears. Its promptness, certainty and ease in overcoming such stomach disorders is a revelation to those who try it.—Adv.

## MEETS BRITISH WEDNESDAY

## OUR GREATEST WAR COUNCIL IMPENDING

Balfour, Joffre and Others Brave Sea Dangers to Come to Washington

Washington, April 17.—President Wilson will receive the British commissioners at the White House on Wednesday and the French commissioners on the same day if they have then arrived in the country.

The preliminary committee of welcome here of the conference, which will be the most momentous ever held in this country. The sending to this country of men like British Foreign Minister Balfour, French Minister of Justice and former Premier Rene Viviani and General Joffre is almost without precedent. The trip requires not only valuable time, but it submits the high officials to real dangers from mines and submarines, with the loss of Lord Kitchener in mind.

The preliminary committee of welcome, consisting of Third Assistant Secretary Long representing the state department; Rear Admiral Frank P. Fletcher and Commander D. F. Sellers, representing the navy; and Colonel Robert E. L. Michie, Lieutenant Colonel Spencer Cosby and Captain John G. Quelmeier, representing the army, is ready to leave for the port of arrival at a moment's notice.

An attempt will be made to harmonize the ends for which the allies are fighting with the principles laid down by President Wilson. All the entente nations have informed each other very fully their maximum and minimum terms of peace, so that each one has come to an exact knowledge of what the others were fighting for. These details will be disclosed to President Wilson in compliance with his note of Dec. 18, asking all the belligerents for such an avowal.

America's probable terms involve the destruction of the Prussian autocracy, government resting on the consent of the governed, freedom of worship, freedom of air and seas, and world federation to prevent future wars.

The French government has appointed Captain Andre Tardieu, member of the Chamber of Deputies, and former foreign editor of the Temps, as high commissioner to the United States. He will be given authority over all the French missions in the United States in order to insure the proper unity of view and action which is required by the complicated nature of Franco-American co-operation. Captain Tardieu is well known in the United States. He was the Cercle Francais lecturer at Harvard in 1907-08. During the war he has been active service, especially before Verdun, and was cited in army orders for bravery for having captured an enemy trench there in February, 1915.

## ITCHING BURNING RASH NEARLY DROVE MISS PRATT WILD

Healed by Cuticura in Less Than a Month With Two Boxes Ointment and Two Cakes Soap, Cost \$1.50.

"I was taken first with a fine humor on my hands and around my ankles. The general appearance was of a red rash, and there was such itching and burning it nearly drove me wild. By scratching the affected parts they got moist and I was obliged to keep my ankles and fingers wrapped in linen. It bothered me most at night. Then I used Cuticura Soap and Ointment, and in less than a month, after I had used two boxes of Cuticura Ointment and two cakes of Soap, not a trace remained. I was healed." (Signed) Miss A. B. Pratt, Osmoke, N. H., Aug. 21, 1916.

The majority of skin and scalp troubles might be prevented by using Cuticura Soap exclusively for all toilet purposes. On the slightest sign of redness, roughness, pimples, or dandruff, apply a little Cuticura Ointment. Absolutely nothing more effective.

## TRY THIS TO BANISH ALL RHEUMATIC PAINS

People who have been tormented for years—yes, even so crippled that they were unable to help themselves—have been brought back to robust health through the mighty power of Rheuma.

Rheuma acts with speed; it brings in a few days the relief you have prayed for. It antagonizes the poisons that cause agony and pain in the joints and muscles and quickly the torturing soreness completely disappears.

It is a harmless remedy, but sure and certain, because it is one discovery that has forced rheumatism and sciatica to yield and disappear.

Try a 50-cent bottle of Rheuma, and if you do not get the joyful relief you expect, your money will be returned. The Red Cross Pharmacy always has a supply of Rheuma and guarantees it to you.—Adv.

## This Simple Laxative A Household Necessity

Dr. Caldwell's Syrup Pepsin Should Have a Place in Every Home

Constipation, or inaction of the bowels, a condition that nearly everyone experiences with more or less frequency, is the direct cause of much disease. When the bowels become clogged with refuse from the stomach, foul gases and poisons are generated, and unless the congestion is quickly relieved, the system becomes weakened and most susceptible to attack.

Various remedies to relieve constipation are prescribed, but many of these contain cathartic or purgative agents that are harsh and violent in their action and shock the system. The most effective remedy is the combination of simple laxative herbs with pepsin that is sold in drug stores under the name of Dr. Caldwell's Syrup Pepsin.

The Hon. John D. Keister of Brandywine, W. Va., who has represented his district in the state legislature for six years, writes that he uses Dr. Caldwell's Syrup Pepsin and finds it a splendid laxative, easy to take and mild, yet positive in its action, and that it should be in every household for use when needed.

Dr. Caldwell's Syrup Pepsin is sold by druggists in all parts of the United States and costs only fifty cents a bottle. It contains no opiate or narcotic drug, does not gripe, and is recommended as a family laxative, mild enough for

the tiniest babe, yet sufficiently powerful to act easily on the strongest constitution.

To avoid imitations and ineffective substitutes, be sure to get Dr. Caldwell's Syrup Pepsin. See that a fac-simile of Dr. Caldwell's signature and his portrait appear on the yellow carton in which the bottle is packed. A trial bottle, free of charge, can be obtained by writing to Dr. W. B. Caldwell, 455 Washington street, Monticello, Illinois, for whom this advertisement is published.

## RANDOLPH

Mrs. M. M. Wilson Had Handbag Stolen at Suffrage Conference.

About fifteen ladies met at the office of M. M. Wilson on Saturday night to qualify for voting at the next election. During the evening Mrs. Wilson, who was present, laid her handbag down in the office, and on wishing to go to her home, found it was missing. After much searching, she gave up and it was not until Monday morning that she received any clue of it. While Henry Hatch was riding down on School street he found a handbag near the home of Dr. G. W. Scott and picked it up and took it into the house to see if the owners were present. Upon investigation, it was found to be the bag which Mrs. Wilson had lost on the Saturday night before, but there was no money in it. The amount which it had contained was between four and five dollars, but the guilty party has not been found.
